Literature Review
Definition of the Third Sector

• …at the interface between what are known as the voluntary, business and government sectors and overlap with them…the whole of the voluntary and social enterprise sectors as the “third sector.”

• …it is at these interfaces that some innovative and challenging models are being created…
SOCIAL ENTERPRISE A GLOBAL COMPARISON

JANELLE A. KERLIN, EDITOR
Types of Social Enterprises Identified by Organizational Form

• Nonprofit Organizations (NPO Type)

• Cooperatives (Cooperative Type)

• Companies (Company Type)
II Our Research Questions: How to Begin Something When We Were Nothing, Nobody?
As Individuals, Can We Make A Difference?
• When Will We See the Result?
Does Money Matter?
