

賀辭

嶺南學院新建校園是學院歷史及香港專上教育發展的重要里程碑，並同時象徵學院對「作育英才·服務社會」的承諾。當新校園在一九九五年竣工時，嶺南的理想——成為一所全面提供宿位的專上學院——便可實現。新校園的建築設計將會融合附近自然景緻，成為屯門區的重要標誌及高等教育的新焦點，並為學術及教研工作提供一個優良的環境。

際茲新校園奠基典禮，我謹祝嶺南學院在未來的日子裡不斷成功與進步。

總督彭定康

Congratulatory Message

Construction of the new Lingnan College campus is a significant milestone in the history of the College and in the development of tertiary education in Hong Kong. It symbolizes the College's commitment to its motto "Education for Service". I am very happy that the College's aspiration to become a wholly residential liberal arts institution will be realized when the campus is completed in 1995. The new buildings will be a landmark for Tuen Mun district and a distinctive focus for higher education in the territory. The architectural design, integrating with the scenic surroundings, will provide an excellent environment for learning, teaching and research.

On this Foundation Stone Laying Ceremony for the new campus, I wish Lingnan College every success in its new home in the years to come.
