

transition towns in the face of the crisis of the shortage of petroleum and the problem of food safety. We Lingnanians are also taking a step forward in Hong Kong. I hope the seeds that we have planted today are not only growing in Lingnan, but also promoting the idea of harmony between nature and human beings.”

*President Prof. Leonard Cheng*

“The Lingnan Gardeners project is finally officially launched, thanks to the support of the Presidential Group and various administrative units. It is good to see a lot of interest generated among staff and students. I would like to specially thank CS Department and the KFCRD for hosting the project, and to all of you, including all the volunteers and students who have worked very hard, for attending the inauguration event today and for all your contributions.”

*Prof. Lau Kin Chi, initiator of the Lingnan Gardeners project*
