

屯門新校園佔地八·六公頃，建築物包括主要校園、學生宿舍、校長住宅、校園保養人員宿舍及大會堂。新校園的設計揉合中西建築特色。

屬第一期興建工程的主要校園，包括學院運作所需的各項教學、行政及康樂設施。一九九二年初，學院進行新校園設計工作，九四年一月與承建商簽約，工程進展如期，九五年九月遷入這設備完善的校舍。新校舍的落成，標幟著各熱心人士多年來努力的成果和慷慨善行，包括政府撥地及撥款五億六千五百萬港元；香港

賽馬會慈善基金撥款八千二百五十萬港元，及其他捐款人合共捐出一億八百多萬港元。

新校園將為全部學生提供宿位，其中六座學生宿舍現正在興建之中。為全部學生提供宿舍將是香港大專教育界一僅見特色，有助學院更有效履行「作育英才·服務社會」訓諭。學生透過宿舍群體生活，學習尊重別人的權利和意見，其後踏入社會工作時，可矢志不渝將其才智奉獻與香港、中國及世界各地。

The new campus at Tuen Mun is located on a site of approximately 8.6 hectares, which comprises the main campus, student hostels, President's Lodge, operations staff quarters and an auditorium. The design of the new campus attempts to integrate the eastern and the western architectural styles.

The development of the Main Campus at Site 1, consisting of the academic, administrative and amenities facilities essential to the functioning of the College, progressed as scheduled since its design started in early 1992. The building contract was awarded in January 1994, and the College took occupancy of this new purpose built campus in September 1995. This marks the culmination of the efforts of many dedicated people over many years. It is also a testimony to the generosity of those who have contributed to its very existence, including the

Hong Kong Government, which granted the land and HK\$565m as a building fund; the Hong Kong Jockey Club Charities Trust, which has pledged a grant of HK\$82.5m; and many donors who have helped us to raise a further HK\$108m.

The new campus will be fully residential with places for all students in the six hostels which are now under construction. This unique residential provision has been planned to enable the College to reinforce its ethos of "Education for Service", by providing its students with the experience of living and working together, learning to respect the rights and opinions of others, as a preparation for going out into the community thereafter, with a determination to place their knowledge and skills at the service of Hong Kong, China, and of the wider world beyond.
